将下载的中文插件文件上传到Confluence

A screenshot of the 'Upload Plugin' dialog box. The title bar says '上传插件'. The main area has instructions: '在此上传定制的或第三方的插件 .jar文件。' Below this are two sections: '从我的电脑' (From My Computer) with a '选择文件' (Select File) button and a file path 'Confluence-La...e-ENT-CN.jar', and '从一个网页地址' (From a Web Address) with a text input field. At the bottom are '上传' (Upload) and '取消' (Cancel) buttons.
