

了解JIRA页面布局

面板 是你登录JIRA后看到的第一个页面。

导航栏 (在页面顶部)出现在JIRA所有页面上。它包括让你使用JIRA功能的快速链接。

页面顶部导航栏下的白色区域,可以根据你的具体需要,定制显示不同类型信息的'面板小工具'。

The screenshot shows the JIRA dashboard interface with several annotations in red boxes:

- 搜索问题** (Search Issues): Points to the search bar in the top navigation bar.
- 查看和修改用户信息** (View and Modify User Information): Points to the 'Unlimax Admin' dropdown menu.
- 快速搜索** (Quick Search): Points to the search bar in the top right corner.
- 创建问题** (Create Issue): Points to the '+ 创建问题' button in the top right corner.
- 自定义菜单** (Custom Menu): Points to the '面板' (Dashboard) dropdown menu in the top left corner.
- 浏览项目或查看报告** (Browse Project or View Report): Points to the '项目' (Project) dropdown menu in the top left corner.
- 定制面板** (Customize Dashboard): Points to the '工具' (Tools) icon in the top right corner.
- 面板小工具** (Dashboard Gadget): Points to the '问题统计' (Issue Statistics) gadget.

The dashboard content includes:

- 介绍** (Introduction): A welcome message for the JIRA demo platform.
- 过滤器结果: 我报告的尚未解决的问题** (Filter Results: Issues I reported that are not yet resolved): A table showing issues with columns for Key, Subject, and Status.
- 问题统计** (Issue Statistics): A bar chart showing the distribution of issues by status.
- 创建与解决的问题: 所有项目** (Created and Resolved Issues: All Projects): A line chart showing the number of issues created and resolved over time.

状态	数量	百分比
