

# 了解JIRA页面布局

**面板** 是你登录JIRA后看到的第一个页面。

- 导航栏 (在页面顶部)出现在JIRA所有页面上。它包括让你使用JIRA功能的快速链接。
- 页面顶部导航栏下的白色区域, 可以根据你的具体需要, 定制显示不同类型信息的'面板小工具'。

The screenshot shows the JIRA dashboard interface with several annotations in red boxes:

- 搜索问题** (Search Issues): Points to the search bar at the top right.
- 快速搜索** (Quick Search): Points to the search bar at the top right.
- 查看和修改用户信息** (View and Modify User Information): Points to the 'Unlimax Admin' dropdown menu.
- 创建问题** (Create Issue): Points to the '+ 创建问题' button at the top right.
- 自定义菜单** (Custom Menu): Points to the navigation bar at the top.
- 浏览项目或查看报告** (Browse Project or View Report): Points to the '项目' (Project) dropdown menu.
- 定制面板** (Customize Panel): Points to the '工具' (Tools) icon in the top right corner.
- 面板小工具** (Panel Widgets): Points to the '问题统计' (Issue Statistics) widget.

The dashboard content includes:

- 介绍** (Introduction): Welcome message and links to learn more about JIRA.
- 过滤器结果: 我报告的尚未解决的问题** (Filter Results: My reported unresolved issues): A table showing a single issue with key 'SSI-5' and status '开放' (Open).
- 问题统计** (Issue Statistics): A bar chart showing the distribution of issues by status: 开放 (4, 15%), 已解决 (3, 12%), 已关闭 (15, 48%), and 正在调查 (1, 4%).
- 创建与解决的问题: 所有项目** (Created and Resolved Issues: All Projects): A line chart showing the trend of issues created and resolved over time.

ⓘ 请注意你的JIRA页面可能和上面的截图不太一样, 这是由于JIRA管理员 **定制** 了公司logo和背景色彩等元素。但是导航栏上的基本菜单是一样的。
